Dear Mr. Ernst:

We request that Rex Scott be placed on the confidential file. We submit the following information: letter dated June 21, 1988 to Mr. Scott from our Council President, confidential record sheet, and acknowledgment of delivery by United Parcel Service.

As you can see, we experienced great difficulty in delivering personally the letter to Mr. Scott. After several attempts, I contacted our area director and he approved our sending the letter in a package. Mr. Scott was aware that we would attempt to deliver a letter in person and/or send a registered letter.

Sincerely,

John P. Dudley
Council Executive

Mr. Rex Scott

Lake Elsinore, CA 92330

Dear Mr. Scott:

After careful review, we have decided that your registration with the Boy Scouts of America should not be accepted. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America.

You should understand that the BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted. The procedures for review are attached.

Sincerely yours,

Floyd Tidwell
Council President
